All lambs, goats and pigs that are double validated for major livestock shows and the Cuero Livestock Show, will be required to have a Cuero Livestock Show tag put in at the same time that major show tags are put in. Double-validated steers will be required to have a Cuero Livestock Show tag put in when they show at the Cuero Livestock Show.

Exhibitors shall be entitled to validate in each division individually or by family. When entry cards are turned in, exhibitors must designate their projects individually with exhibitor's name, however, they do not have to designate the animal tag number until the Official Weigh-In/Check-In at Show Time. Absolutely no changes can be made after the Official Weigh-In/Check-In.

Each exhibitor will be allowed to validate 3 of each species: barrows, goats, lambs, and steers free of charge. \$2.00 per head will be charged for all validations that exceed this amount.

RULE 5 POSSESSION:

All animal project(s) must be in the exhibitor's possession from the time the animal is validated until the date of the Livestock Show. Possession is defined as having the animal project(s) in any location within DeWitt or contiguous counties that provides for the convenient care of the animal project(s) by the Exhibitor on a regular basis. The Ag Science Teacher or County Extension Agent have the authority to determine whether animal project(s) are in the possession of the Exhibitor and may make recommendations to the Exhibitor to meet the possession requirement if it is believed the Exhibitor is not in the possession of the animal project(s).

RULE 6 ENTRIES:

All entries must be made on the official entry form. Entries must be signed by the Exhibitor, Parents/Guardian and the Ag Science Teacher or County Extension Agent. In all cases, the right is reserved to reject or accept any entry. Official entry forms will be furnished by the Ag Science Teacher(s) or the DeWitt County Extension Agent.

Each entry must be submitted to the Ag Science Teacher(s) or DeWitt County Extension Agent no later than **5:00 p.m. February 1, 2024**. No entry will be accepted unless the entry form is completely and legibly filled out and accompanied by the appropriate entry fee. Entry fees are as follows: All Market Animals - \$25.00 each; Breeding Beef Animals - \$25.00 each.

If the February 1st deadline is missed, late entries will be accepted through 5:00p.m., February 15th, 2024, however, the late entry fee will be \$100 per entry.

****NOTE:** *THE TAG NUMBER OF THE ANIMAL WILL NOT BE FILLED IN ON THE ENTRY CARD AT THE TIME OF ENTRY. THEY WILL BE FILLED IN ON THE ENTRY CARD, BY THE EXHIBITOR OR FAMILY MEMBER, AT THE TIME OF THEIR OFFICIAL WEIGH-IN/CHECK-IN AT SHOW TIME.*

There will be a limit of three (3) entries per exhibitor in beef, sheep, goat, and swine market divisions. Broiler and market rabbit exhibitors are limited to one (1) pen.

There will be a limit of two (2) entries per class in beef breeding divisions.

RULE 8 ARRIVAL OF ANIMALS:

All exhibits must be in their place, with all trash and waste cleared away, by the end of their specified check-in times each day.

RULE 9 TEXAS ANIMAL HEALTH COMMISSION RULES:

All animals will be subject to rules and regulations governing admission of livestock to shows, fairs, and exhibitions, as prescribed by the Texas Animal Health Commission.

RULE 10 CARE OF ANIMALS:

All exhibitors shall feed, water, and care for their own animals until the Buyer takes charge of them or until released by the Show Office. Poultry feed will be furnished by the Show.

RULE 11 OFFICIAL WEIGH-IN:

Animals must weigh between the minimum and maximum weights as described in these rules. If an animal does not meet these weight requirements it will be removed, scales balanced, and **IMMEDIATELY** re-weighed one (1) time. If weight requirements are not met after re-weighing, the animal will be sifted. ***An official weighmaster will be appointed to call out the official weights of all animal species at official weigh-in. There will be no weight tolerance allowed on any animal species.***

Once an animal crosses the scale it is an entry. Only the maximum number of entries per species will be allowed to be weighed. There will be no weighing of extra animals.

Animals must be officially weighed-in free of show paraphernalia (Lead ropes, chains, sweater blankets, sweat collars, etc.), except for halters or collars on Steers, Lambs, and Goats.

Families with multiple kids having multiple entries of the same species, must decide which animal belongs to which kid, before their last animal leaves the scale. This decision must be made at the time a group of animals is weighed. (Example: Families bringing animals in separate groups must decide who's exhibiting which animal as each group is weighed)

Official Scales: The "official" scales that will be used for official weigh-in will be available for exhibitors to weigh their projects on Saturday, February 24, 2024, from 8:00 a.m. to 5:00 p.m. After Saturday the scales will be put up until official weigh-in. Note – the scales will not be officially verified until February 26th or February 27th.

RULE 12 JUDGING/SUBSTITUTE SHOWMAN:

The decision of the Judge shall be final in all classes. All exhibitors must be present at the time of judging and show their own animals, barring accident or sickness. If an exhibitor is injured or sick, a doctor's excuse will need to be presented to the board of directors. In the case of immediate illness or injury while showing, a substitute showman will be allowed, at the discretion of the board.

A case-by-case review will be made by the board of directors as needed, regarding unforeseen conflicts with school-related activities, such as UIL advanced competition. (Example: Regional or State band or sporting events)

An exhibitor may have a substitute showman show his/her other animal, provided he/she has more than one animal in the judging ring at the same time. This substitute showman must be an eligible DeWitt County 4-H or FFA member that attends school in DeWitt County and has an animal project in the current Show. All such assistants must give the name of the owner of the animal to show officials tabulating the judging results. However, animals qualifying for the Championship Drive must be exhibited by their owner. **EXCEPTION:** An assistant exhibitor may be used if an exhibitor has more than one animal in the Championship Drive. No person but the exhibitor, official judge and certified assistants shall be allowed in the judging ring.

Exhibitor, family member(s), or any other representative of the exhibitor shall not dispute the judge's decision. If any disrespect is shown toward the judge before, during, or after the judging, the Board reserves the right to ban the exhibitor from future shows. The Board serves final decision concerning dispute.

RULE 13 SIFTING OF ANIMALS:

No unruly animals will be allowed in the show. All market and breeding cattle must be halter broken. Nose rings are allowed to assist in handling breeding and market cattle in show competition. The enforcement of these rules is the responsibility of the division superintendent.

RULE 14 SHOW DIVISIONS AND CLASSES:

The entries shall be divided into divisions and classes, and as such additional classes as the show manager may determine.

RULE 15 UNETHICAL DRUG USE & FITTING:

Abuse or misuse of drugs and chemicals in show animals by exhibitor will result in his or her being disqualified from show and will result in forfeiture of all premiums and prize money. This includes necessary medications that do not meet the withdrawal requirements for slaughter. The Cuero Livestock Show reserves the right to have blood, urine and other body tissue laboratory analysis made on any animal entered for competition. An exhibitor of an animal producing an analysis with a quantity of unapproved chemical drug, or any other unapproved medication will forfeit all rights and privileges to exhibit livestock in the future at the Cuero Livestock Show. **The act of artificially filling animals internally, which would include stomach pumping, drench tubes, or any other method per os (by esophagus), is strictly prohibited in the Show Barn.**

RULE 16 PROTESTS:

All protests must be made in writing to the Manager of the Show and must be made immediately after the occasion arises for protest.

RULE 17 AWARDS:

A placing ribbon (blue, white) will be given to each entry with special rosettes and banners for the Champion and Reserve Champion. Showmanship Awards will be given in the Beef, Sheep, Goat, Swine, Poultry and Rabbit Divisions. Premiums will be awarded in the breeding classes only.

RULE 18 REMOVAL OF EXHIBITS:

All animals in market classes that are not eligible for the Auction Sale may be removed only at a specified time appointed by the Show Superintendent with a Release Form from the Show Office. Violations of this rule will cause forfeiture of all premiums earned by the exhibitor. The exhibitor is responsible for obtaining a release from the Show Office to remove their animal. If a release is not obtained, the animal will be put on resale, except for white ribbon Steers.

Breeding animals may be removed from the show barn only during a specified time appointed by the Show Superintendent. A release must be obtained before the animal is removed.

RULE 19 RESALE:

Animals not making the Auction Sale are eligible for resale except for white ribbon steers. For an exhibitor to take a non-sale animal home, he or she must obtain a release from the Show Office by 8:00 a.m. on the day of the Sale. If a release is not obtained and the animal is not picked up by 9:00 a.m. on Friday, the animal will be put on resale.

The bids for buying the resale animals from the Cuero Livestock Show will be accepted through **Thursday, February 29, 2024, until 7:00 P.M.** at which time they will then be opened. The bid will go to the highest bid submitted in each animal category. All bids will be submitted FOB. Cuero Livestock Show will not make delivery.

Individuals wishing to purchase a resale animal must go directly to the resale buyer for the transaction. The Cuero Livestock Show will not handle any outside transaction(s) dealing with Auction Sale or Resale animals. This rule will be strongly enforced!

RULE 20 AUCTION SALE:

The Cuero Livestock Show Auction Sale is considered a "Spot Sale", in which there is a transfer of ownership between the seller and buyer, therefore all animals selling through the Auction Sale are considered sold and are ineligible for any other junior market show and sale.

Each exhibitor is limited to one sale slot. The only exception is that all Champions and Reserve Champions of the market classes will sell, thus an exhibitor having two or more champions or reserve champions will sell more than one entry.

Exhibitors must be present to sell their market projects at the designated time. The only exceptions are accidents or sickness, and the exhibitor must notify the agent or advisor prior to Sale time and have a written doctor's excuse.

Only blue-ribbon projects will sell. No white ribbon projects will sell in any of the market divisions of the Cuero Livestock Show.

PLEASE NOTE: Animals shall not be decorated for the Sale using glue, glitter, paint, or any other adhesive or potential contaminating substance. They may be decorated with hats, ribbons, clothing, etc., if it can be taken off the body.

The Auction Sale will begin following the Pre-Auction ceremonies, which start at 6:00 p.m. on Friday. A six percent (6%) commission charge will be made. Under no circumstances will the buyer be allowed to reconsider after the sale is completed. Buyers must pay immediately upon receipt of an invoice from the Show. No breeding animals will be sold through the Show. If an exhibitor has more than one market animal of the same specie qualify for the auction sale, in a guaranteed sale slot, and these animals are double validated for major livestock shows and the Cuero Livestock Show, the exhibitor may choose which animal to sell. In other words, an exhibitor may choose to sell a lower placing animal if it's in a guaranteed sale slot. The exhibitor or a family member will be required to let the office know within 1 hour after the show. This rule does not apply to grand or reserve champion animals. A "guaranteed" sale slot is defined as an animal that places high enough in a class that it finishes within the maximum number of sale lots for each species, as listed in Rule #21.

Following the sale of Grand and Reserve Champions the Auction Sale Order will be as follows:
1) Steers; 2) Market Swine; 3) Market Lambs; 4) Meat Goats; 5) Broilers; 6) Market Rabbits.

NOTE: Add-On money will be accepted from immediately after sale of animal, until two (2) weeks following the Auction Sale.

RULE 21 MAXIMUM NUMBER OF SALE LOTS:

The maximum number of Sale lots in each of the market divisions will be as listed. The show reserves the right to increase or decrease the number of sales in any of the divisions.

Steers	30
Market Hogs	42
Market Lambs	45 *
Meat Goats	45 *
Broilers	10**
Rabbits	15**

** There will be a total of 45 Market Lambs and Meat Goats that will be sold in the Auction. The number sold in each division will be determined by a percentage of how many animals are weighed-in, in each of the divisions.*

EXAMPLE:

# Entries of Mkt. Lambs	40
# Entries of Meat Goats	60

60% of the 45 sale lots will sell in Goats equaling 27 and 40% of the 45 sale lots will sell in Market Lambs equaling 18, for a total of 45 sale lots for both divisions.

*** If there are any sale lots not used in one species (broilers or rabbits), those lots will move to the other species (broilers or rabbits).*

RULE 22 UNACCEPTABLE BEHAVIOR:

Exhibitors participating in or exhibiting unacceptable behavior while on the show grounds can be banned from future shows and/or be made to forfeit premium money. Unacceptable behavior may include, but not be limited to, such things as: fighting, bullying, shaving cream fights, name-calling, cursing, etc.

RULE 23 STALLS, PENS & ALLEYS:

Stalls, pens, alleys, and exhibit spaces must be kept clean. Waste matter (manure, hay, feed, shavings) must be disposed of in designated dumpsters. Trash must be disposed of in trash dumpsters. Feed, chairs, show equipment boxes, etc. are not permitted to be placed in areas blocking the main alleys or barn aisles. Caution shall be used when placing overhead show equipment boxes or racks in aisle areas, so that they don't pose a safety risk.

RULE 24 CAMPERS/TRAILERS:

Campers and/or trailers with living quarters are permitted to be parked in the Cuero City Park near the Friar Ag Center, however they are not allowed to be parked within 100 feet of the building.

RULE 25 STOCK SHOW PICTURES & BUYER THANK YOU LETTERS:

Every exhibitor making the sale with their market animal will automatically have a **\$20.00** fee taken out of their Stock Show check to cover the cost of the picture, envelope, and postage. The County Extension Agent or the Ag Science Teacher will mail this envelope containing the picture and a "Buyer Thank You" to the buyer. No auction sale checks will be released to exhibitors until a "Buyer Thank You", or a copy of the "Thank You" letter, is brought to their respective supervisor (CEA or AST). ***Thank You Notes Should Be Taken Care of Within Two (2) Weeks of the Sale Date.***

RULE 26 SET-UP AND CLEAN-UP:

Cuero FFA Chapter will handle set-up prior to the livestock show. DeWitt County 4-H Club members participating in the livestock show and/or homemaking show will handle clean-up following the Show. Clean-up will start at 10:00 a.m., Saturday, March 2nd and last until all facilities are completely clean. **In addition to facilities clean-up, each exhibitor is responsible for cleaning shavings out of their pen(s). All 4-H & FFA exhibitors will need to be at the barn at 10:00 a.m. on Saturday to clean their pen(s).** If an exhibitor does not clean their pen(s), Cuero Livestock Show, Inc. will assess a \$50 penalty (per pen). This rule will be strongly enforced.

RULE 27 DEPOSITING LIVESTOCK SHOW CHECKS:

Exhibitors shall perform all requirements necessary to receive their checks from the sale of their project and shall pick up and deposit their checks on or before September 1, 2024. Any exhibitor who fails to pick up and deposit their check, from the sale of their project, on or before September 1, 2024, thereby relinquishes their check to Cuero Livestock Show, Inc., and said check shall be deposited into the Cuero Livestock Show, Inc. General Fund Account to be used by Cuero Livestock Show, Inc. as the Board so determines with no additional recourse provided to the Exhibitor. If an Exhibitor picks up his/her check but fails to deposit the check on or before September 1, 2024, the issued check will be cancelled, and the funds shall be deposited into the General Fund Account of Cuero Livestock Show, Inc. to be used as the Board so determines with no additional recourse provided to the Exhibitor.

RULE 28 DRESS CODE

The Cuero Livestock Show will enforce a dress code to emphasize to exhibitors the importance of a professional appearance. We expect all exhibitors to look well-groomed to visitors and judges who attend the Cuero Livestock Show.

No visible tattoos.

MARKET STEERS

All Market Steers must be owned and on feed by the exhibitor by **Saturday, September 30, 2023**, which is the official validation and weigh-in date. Time will be between **8:00 a.m. and 9:00 a.m.** at the Cuero Livestock Commission Company (Auction Barn), 1817 Bridge Road, Cuero. ***If an exhibitor validated a steer through the Official DeWitt County Major Show Validation program and is intending to exhibit that same steer at the Cuero Livestock Show, they do not need to bring the steer to the Cuero Livestock Show Steer Validation. However, the family must notify the County Extension Office by 5:00 p.m. on Friday, September 29, 2023, and give the major show tag number(s) of the steer(s) to be officially validated for the Cuero Livestock Show.***

The OFFICIAL SHOW WEIGH-IN/CHECK-IN TIME for Steers is Thursday, February 29, 2024, from 7:30 – 9:30 a.m. All exhibitors must have their Steers weighed in, or must be in line during this time, or their animal will be disqualified. This rule will strongly be enforced by the CLS Stock Show Board. There will be no exceptions!

Official classification will take place during the Cuero Livestock Show at the time of weigh-in on Thursday, February 29, 2024, from 7:30 - 9:30 a.m.

All steers must be owned and in the exhibitor's possession for the entire period from the validation date until the stock show. All steers will compete for the "Rate of Gain" Award which begins with the weight at the official CLS Validation.

This class shall consist of all steers of any breed or crossbreed that have been dehorned, halter-broken, and that were put on feed as of the official validation and weigh-in date. That date being ***the last Saturday of September***. Any animal intended to be exhibited to show must be present on this designated day and must be a project or demonstration under the supervision of the Ag Science Teacher(s) or DeWitt County Extension Agent.

Steers will have their hair checked for 1/4" length at the official weigh-in. Steers checked at official weigh-in that do not pass the first inspection will have until the 9:30 a.m. official weigh-in cut off time, to be touched up and re-inspected. Steers not shorn to 1/4" at that time will be disqualified from showing.

Steer Classes: Steer Classes will be broken by weight into equal as possible classes of American Breed Crosses, English Breeds, and All Other Breeds, as determined by the Cuero Livestock Show Steer Committee, after Steer entries have been weighed and classified.

Classification Divisions:

- a. American Breed Crosses (ABC) – Steer crosses must exhibit at least 3/8 Brahman characteristics. Five (5) or more steers must class American for the Division to make.**
- b. English Breeds – Steers must physically exhibit characteristics of the following purebred breeds: Angus, Red Angus, Hereford, Polled Hereford, or Shorthorn. Five (5) or more steers must class English for the Division to make.**
- c. All Other Breeds (AOB) – All Steers which do not fall into the American or English divisions.**

Note: Exhibitors must declare what division they are wanting to be classed into (ABC, English, or AOB), at time of classifying, to the classifier.

Unruly Steer Rule: The Classifier, Division Superintendent, Show Manager, or Steer Judge are authorized to dismiss an unruly steer at any time. The decision by any of them shall be final. These animals shall be removed immediately from the show grounds.

Quality Sift Rule: The Classifier and 2 other judges appointed by the Show Manager, will be authorized to dismiss any steers deemed to not be of show quality. The quality sift will take place during and immediately after steer weigh-in. The decision of this "Quality Sift Committee" shall be final. These animals shall be immediately removed from the show grounds.

Steers will be required to be shown with a show halter and a show stick.

MARKET STEERS (cont.)

Champion Selections: **The Judge will place the entire class.** Each Steer will receive a Blue or White Ribbon as determined by the Judge. White ribbon steers will not be given a Sale Slot for the Auction and will not be eligible for resale. They must be taken home by the exhibitor.

After all the classes are placed, the first placed steer of each class will compete for Grand Champion Steer.

After the Grand Champion Steer is selected, the second-place steer of the class that furnished the Grand Champion Steer will compete with the other first placed steers for Reserve Champion Steer.

Sale will be made up of 30 steers total. If there are more than 30 steers, a percentage of each class will be taken based on the number of total steers entered in the show.

Example:	50	Steers Entered
	<u>60%</u>	Sell
	30	Sale Slots for Steers

If there are more or less steers entered, the percentage will fluctuate to make the 30 steers sell. To sell in the example above, an exhibitor would have to beat 40% of the steers in his/her class.

In the event of an exhibitor having two or more steers, the highest-placed steer will be sold. The steer that takes that steer's place in the sale shall be the next highest placed steer in that class provided he is blue ribbon quality. In the event of a tie between steers for the sale, the order will be determined by a flip of a coin, unless otherwise decided by the committee.

The order of sale shall be:

- 1 - Grand Champion
- 2 - Reserve Champion
- 3 - 1st Placed Steers in all Classes
- 4 - 2nd Placed Steers in all Classes
(and so on, until 30 steers are sold)

The sale order of number 3 & 4 and on will depend on the class in which the Grand Champion Steer is selected from.

For steers that make the auction sale, the resale price will be figured on a maximum weight of 1250 pounds. Any steer that does not make the auction and is put on resale, will be paid resale price for actual weight. Any buyer who buys a steer in the auction sale must figure the resale price on actual weight up to 1250 pounds. Any resale pounds over 1250 pounds will go to the Cuero Livestock Show. Any buyer who chooses to keep his big steer to kill will benefit in added pounds of meat.

PHOTOGRAPHY

The Photography Contest will be conducted using the District 11 & State 4-H Photography Guidelines and will serve as the DeWitt County 4-H qualifying contest for District competition. Once available, the full set of State 4-H Photography Guidelines will be posted at <https://texas4-h.tamu.edu/projects/photography-video/> The "Theme" and Categories will also be announced in these guidelines. We will also send them out as soon as they are ready, or you can come by the Extension Office to pick a set up. For this reason, the Cuero **HOMEMAKING & PROJECT Show Photography** entries will be turned in on a separate Entry Form. *There are NOT different classes for color photos and black & white photos. All photos from the same category will be judged together in each age division.*

Photographs must be in the form of 8x10 prints or enlargements and taken between the previous year stock show and this year stock show dates. **HOMEMAKING & PROJECT Show Officials** have the right to place photographs into a different category if they see fit. **County 4-H Junior and Intermediate winners will advance to District in mid-March and Senior 4-H Winners will advance to State Competition in April. All photographs advancing to District and State will be entered On-Line electronically on the 4-H Website. The County Extension Office will let those know who will be advancing and what deadlines they need to meet for entry purposes.**

MATTING:

Photos must be 8x10 in size and must be matted to 11" x 14". These mattes are available in Black or White and are available for purchase from the Extension Office for \$2.00. They can also be purchased from Amazon, Hobby Lobby or Michaels. These mattes have a backing and come with a sleeve, which makes for easy transport, so photos don't get messed up in travel. We will purchase these in bulk so the cost will not be as much if you were to purchase them on your own. This will allow for ribbons to be attached without messing up the photo and will help to eliminate any creases put in photos when they are hung for display.
